Label System ANLS
Recomended label printers

Printers from Zebra

Below you will find a selection of printers, which we recommend to use when printing labels with the Arvid Nilsson Labels System (ANLS). Other label printers will probably work fine, but we can recommend the printers below, as we work with them ourselves.

☑ **Best**

Zebra 105SL

With a durable and reliable metal construction, 105SL™ is the choice for experienced users that need a rugged printer for common industrial applications.

Quick Specs:

www.zebra.com - Products > Industrial & Commercial
